Correction of: <https://publichealth.jmir.org/2021/2/e24429/>

(*JMIR Public Health Surveill* 2021;7(2):e28131) doi: [10.2196/28131](https://doi.org/10.2196/28131)

In “General Audience Engagement With Antismoking Public Health Messages Across Multiple Social Media Sites: Comparative Analysis” (*JMIR Public Health Surveill* 2021;7(2):e24429) the authors noted errors in the affiliations of two authors.

For authors Katja Reuter and Jennifer B Unger, the affiliation:

Institute for Health Promotion and Disease Prevention Research, Department of Preventive Medicine, Keck School of Medicine of USC, University of Southern California, Los Angeles, California, United States

was inadvertently removed and replaced with the affiliation:

Economic and Health Policy Research, American Cancer Society, Washington, DC, United States

In the originally published paper, the full list of authors and affiliations read as follows:

Katja Reuter^{1,2}, PhD; Melissa L Wilson^{3*}, PhD; Meghan Moran⁴, PhD; NamQuyen Le⁵, MPH;*

Praveen Angyan⁵, MS; Anuja Majmundar², MA, MBA, PhD; Elsi M Kaiser⁶, MS, PhD; Jennifer B Unger^{2}, PhD*

¹Department of Public Health & Preventive Medicine, SUNY Upstate Medical University, Syracuse, NY, United States

²Economic and Health Policy Research, American Cancer Society, Washington, DC, United States

³Division of Disease Prevention, Policy and Global Health, Department of Preventive Medicine, Keck School of Medicine of USC, University of Southern California, Los Angeles, CA, United States

⁴Department of Health, Behavior & Society, Johns Hopkins Bloomberg School of Public Health, Johns Hopkins University, Baltimore, MD, United States

⁵Southern California Clinical and Translational Science Institute, Keck School of Medicine of USC,

University of Southern California, Los Angeles, CA, United States

⁶Department of Linguistics, Dornsife College of Letters, Arts and Sciences, University of Southern California, Los Angeles, CA, United States

*these authors contributed equally

The corrected list of authors and affiliations is as follows:

Katja Reuter^{1,2*}, PhD; Melissa L Wilson^{3*}, PhD; Meghan Moran⁴, PhD; NamQuyen Le⁵, MPH; Praveen Angyan⁵, MS; Anuja Majmundar⁶, MA, MBA, PhD; Elsi M Kaiser⁷, MS, PhD; Jennifer B Unger^{2*}, PhD

¹Department of Public Health & Preventive Medicine, SUNY Upstate Medical University, Syracuse, NY, United States

²Institute for Health Promotion and Disease Prevention Research, Department of Preventive Medicine, Keck School of Medicine of USC, University of Southern California, Los Angeles, California, United States

³Division of Disease Prevention, Policy and Global Health, Department of Preventive Medicine, Keck

School of Medicine of USC, University of Southern California, Los Angeles, CA, United States

⁴Department of Health, Behavior & Society, Johns Hopkins Bloomberg School of Public Health, Johns Hopkins University, Baltimore, MD, United States

⁵Southern California Clinical and Translational Science Institute, Keck School of Medicine of USC, University of Southern California, Los Angeles, CA, United States

⁶Economic and Health Policy Research, American Cancer Society, Washington, DC, United States

⁷Department of Linguistics, Dornsife College of Letters, Arts and Sciences, University of Southern California, Los Angeles, CA, United States

*these authors contributed equally

The correction will appear in the online version of the paper on the JMIR Publications website on February 24, 2021, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 22.02.21; accepted 23.02.21; published 24.02.21.
