In “General Audience Engagement With Antismoking Public Health Messages Across Multiple Social Media Sites: Comparative Analysis” (JMIR Public Health Surveill 2021;7(2):e24429) the authors noted errors in the affiliations of two authors.

For authors Katja Reuter and Jennifer B Unger, the affiliation:

Institute for Health Promotion and Disease Prevention Research, Department of Preventive Medicine, Keck School of Medicine of USC, University of Southern California, Los Angeles, California, United States

was inadvertently removed and replaced with the affiliation:

Economic and Health Policy Research, American Cancer Society, Washington, DC, United States

In the originally published paper, the full list of authors and affiliations read as follows:

Katja Reuter1,2*, PhD; Melissa L Wilson3*, PhD; Meghan Moran4, PhD; NamQuyen Le5, MPH; Praveen Angyan5, MS; Anuja Majmundar6, MA, MBA, PhD; Elsi M Kaiser6, MS, PhD; Jennifer B Unger2*, PhD
