Correction of: <https://publichealth.jmir.org/2021/8/e29205>

(*JMIR Public Health Surveill* 2021;7(8):e32870) doi: [10.2196/32870](https://doi.org/10.2196/32870)

In “Census Tract Patterns and Contextual Social Determinants of Health Associated With COVID-19 in a Hispanic Population From South Texas: A Spatiotemporal Perspective” (*JMIR Public Health Surveill* 2021;7(8):e29205), one error was noted.

Due to a system error, the name of one author, Joseph McCormick, was replaced with the name of another author on the paper, Isela de la Cerda. In the originally published paper, the order of authors was listed as follows:

*Cici Bauer, Kehe Zhang, Miryoung Lee, Susan Fisher-Hoch, Esmeralda Guajardo, Isela de la Cerda, Isela de la Cerda, Maria E Fernandez, Belinda Reininger*

This has been corrected to:

*Cici Bauer, Kehe Zhang, Miryoung Lee, Susan Fisher-Hoch, Esmeralda Guajardo, Joseph*

*McCormick, Isela de la Cerda, Maria E Fernandez, Belinda Reininger*

In the originally published paper, the ORCID of author Isela de la Cerda was incorrectly published as follows:

*0000-0002-5844-8102*

This has been corrected to:

*0000-0003-3625-8954*

The correction will appear in the online version of the paper on the JMIR Publications website on August 18, 2021, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

*This is a non-peer-reviewed article. Submitted 12.08.21; accepted 12.08.21; published 18.08.21.*
