JMIR Public Health Surveill 2025;11:e78866; doi: [10.2196/78866](https://doi.org/10.2196/78866)

In "Assessing the Impact of Frailty on Infection Risk in Older Adults: Prospective Observational Cohort Study" (JMIR Public Health Surveill. 2024;10:e59762) the authors noted one error.

Affiliations 1 and 2 for authors Ya Yang, Kechun Che, Jiayan Deng, Xinming Tang, Wenyan Jing, Xiuping He, Jiacheng Yang, Wenya Zhang, Mingjuan Yin, Congcong Pan, and Jindong Ni have been combined, from:

School of Public Health, Shunde Women and Children's Hospital, Foshan, China

And:

Precision Key Laboratory of Public Health, Guangdong Medical University, DongGuan, China

To read as:

School of Public Health, Shunde Women and Children's Hospital, Precision Key Laboratory of Public Health, Guangdong Medical University, Dongguan, China

The correction will appear in the online version of the paper on the JMIR Publications website, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article; submitted 11.06.2025; accepted 11.06.2025; published 19.06.2025
